Request for Pediatric ICU Observation

School	Faculty
Date Submitted	Course Title
Instructor Phone/E-Mail	

Nursing students currently having their Pediatric clinical rotation, on 5 South Pediatrics at Beaumont Childrens Hospital - Royal Oak, are welcome to have a 4-hour PICU Observation. Typical 4-hour blocks are 7a-11a and 11a-3p.

This form must be completed in full and e-mailed to the coordinator at least **1 week** prior to the requested experience date. PICU unit census and clinical situation of the patients in PICU may require student experiences to be rearranged. Only one student from the clinical group may be in PICU at a time.
