

Resources for Nursing Experiences

Nurses are employed at Corewell Health in a variety of roles. If you are interested in your students obtaining some alternative experiences in non-clinical environments, please contact the individual listed under the specialty area below to arrange an experience. Please e-mail or call **at least three weeks** prior to the desired time. Students requesting an experience may only do so on a day that they are already scheduled to be at the hospital for their rotation with the faculty **ON SITE**.

***NOTE:** For Critical Care Units* Maternal Child Health* (Peds, PICU & NICU) and Surgical Services* you must **complete the request form** which is located on the Royal Oak page of the Nursing Student Website. *You must also be currently on a peds rotation.*

Clinical Nurse Specialist

Michelle Wallace 248-551-0154 Michelle.Wallace@beaumont.org

*Critical Care - ICU Observation requests – must complete form first
